## Raising A Generation To Lead

M2 (Squared) is a 501(C)(3) organization dedicated to decreasing the potential for violence in the city of Rochester by cultivating leadership skills in youth, ages 5-10.

We work in partnership with the youth and their families to encourage healthy lifestyle choices, conflict resolution, education, and emotional support, so that they can achieve and have a bountiful foundation for a lifetime of success.

The foundation has engaged in peace walks, prayer circles, crisis response and the development of a peace garden at the intersection of Chili Ave and Thurston Rd. And while the work is important, it is not cost free. We respectfully ask for your support in the form of a donation and/or sponsorship so that we may continue to help end the cycle of violence in the Rochester area. All donations will be used for the purpose of furthering the foundations activities which include the maintenance of the community peace garden; events designed to foster peace and nonviolence, financial support of families traumatized by violence and a \$500 scholarship for a Franklin High School student.
